IGORA VIBRANCE and IGORA VIBRANCE GLOSS & TONE use different formula technologies with different pH levels. It is critical that both colors and developers are mixed within their own IGORA VIBRANCE or IGORA VIBRANCE GLOSS & TONE portfolio, not with each other. Always wear suitable gloves.

IGORA VIBRANCE e IGORA VIBRANCE GLOSS & TONE utilizan diferentes fórmulas y tecnologías con diferentes niveles de pH. Es muy importante que tanto las coloraciones como las lociones activadoras sean mezcladas dentro de su portafolio de IGORA VIBRANCE o IGORA VIBRANCE GLOSS & TONE correspondiente; no entre sí. Usar siempre los guantes adecuados.
